that Rule XXX referred to

Note

† The order of 1881 is badly worded, but I believe the Appeal of it is what I have stated.— The principle is that the deceased person should not be benefited by the appointment of heirs, but if he dies, I do not see why the stranger should be allowed to hold the office for 10 or 20 years, & the heirs of the deceased person not appointed.— At any rate, such a long period is unnecessary in any case. I shall write verbally modifying that portion of the order.— If you think, we ought not to modify the order to this slight extent without the Government

Mr. Justice Farwell, after the opening speech, said, "In the case under notice, it must clearly be understood that the question is not one of family. In the present case, the plaintiff is entitled to the office until she dies, or becomes disqualified to perform its duties, if she should retire from it. Under the agreement, which the testator made, she is entitled to £17 per week, if she should retire from the office, or become disqualified to perform its duties."

Subsequent to the execution of the above agreement, Mrs. Gait was appointed Secretary to the Stating Mutual Benefit Building Society, and she continued to perform the duties of that office until her death, which happened on the 19th of January, 1897. Mr. Gait was duly appointed executor of her will.

The appeal petition is out of time by about a month. Petitioner explains that no final order had yet been passed on his appeal (Petition of 1891) that the question is now one of giving due effect to the order passed by Government (on 4th December 92) rectifying the mistake made by Col. Jennings and that the rules of limitation does not therefore affect his appeal.

The Endorsement No 2747 referring Petitioner to the Ag. Com. after the issue of order dated 4-12-92, seems to have been issued without proper authority. I am submitting the draft of that order the Ag. Commr. proposed for

In August 1887, the Dy Comr dismissed a Shanbogue for certain offences committed by him, and directed the Circle Vakil to select a member of the family of the dismissed for appointment for the office if one was forthcoming who was competent to perform the duties of the office without the intervention of the dismissed incumbent or of his brother, who was also connected with the offences. He further directed that if such a man was not available, the nomination would rest with Govt under Rule xxx of the rules for the

remuneration of Patels and Shanbogues. The dismissed man appealed to Govt against the decision, but the appeal was rejected.

It is not meant that in every case the dismissal should be for a period of five years, but that the stranger appointed should have a guarantee for a like term. Most honoured Sirs.

The undersigned Kadur agent of the Amalgamated Shanbog Families of Anjur Sir, Kadur Amaldars Salute begs to bring the following few lines into your kind consideration, and thereby hopes that his request will be answered with success.

You had been graceous enough to grant me an endorsement No 2, 4, dated 3rd January 1891 in which endorsement it had been stated, that orders have been issued to the Deputy Commr. Kadur District. When I requested the Deputy Commr. Kadur District for orders, an order was issued to the Amildar Amalgamated Families that enquiry should be made as how the Patels of the Hoblis of the Taluk mentioned above, are disposed towards my being appointed as the Shanbog. Orders from the Taluk was given to the Sheristadar Sheristadar for enquiry. From the two Hoblis mentioned above, when the Shanbog Cases arose (Ex. No. 2, 3, 4) for the Kadur enquiry I was told that the Patels and the Ryots were quite willing to have me as their Shanbog.

Kavadadu Venkoji of the deceased Shanbog Seetharamaiya, handed a petition, dated 27-2-93 the Deputy Commr

Saint District, that he was appointed
that, the District of Prince Albert,
should be appointed as the Standing
two deals, and agreed to, immediately.
The Deputy Commissioner then thought it
expedient that, in case, the total
should be appointed as the Standing.

I have also heard that in the
Proceedings of Sir J. Shaughnessy
Esquire, Senior Assistant Engineer, it is
stated that the Standing Committee
to consider for the years 1885, 1886
and after that period the Standing is freed
from suspension, in case of the Standing
being died, his brother shall have
with him in the same family, shall be
appointed as the Standing.

In spite of all this, the Deputy
Commissioner, Saint District, do not
know with what intention, however we
ordered in which my claim is completely
included. The order is awaited.

I, therefore, humbly beg your
honour to confer the boon of appointing me
as the Standing, and to give me an order

I beg to remain,
Your honour's
Yours most obedient servant.

Signed.

dated 20th December 1892 and in which the Deputy commissioner's infringement of the law apparently said.

II — The relationship between me and the wife of deceased Thambiyy mentioned in the said endorsement is nothing but shunning my entrance in the office.

III — If the Deputy com considered as final as the proceedings of the last Deputy com itself is fundamental to his judgment, what made him to enquire every head of the Jirka, regarding my conduct. I beg to draw your good attention to this point, if the inhabitants of the Jirka taken any head of me, he would have taken as good ground for his unjustifiable Judgement. Unfortunately wasn't. Therefore he entirely left of the subject.

IV — Whereas the Thambiyy who was suspended was out of the encumberance under the law and proceedings of the benevolent Dewan. Now does the proceedings of the last Deputy com would debarred my entrance in the office. That who I did not work as a Thambiyy from my birth at all and committed any offence.

V — The proceedings of the Dewan dated 7th February 1885 stated "the exclusion of the forfeiture from (myself) from discharging the duties of the office during the time of the suspension is equally right". Now the period of suspension is varied. Why should I enter in the Kachcheri office

VI — In the proceedings of the Dewan dated 20th December 1892, it is stated that after the death of suspended Thambiyy his relation shall enter in the office.

VII — The karanakkar Thambiyy (my brothers wife) is still under my protection we are undivided. She requested the

Deputy.

Deputy Commissioner Tumkur

This request was utterly refused. What is Justice in the District? I am male member of the family undivided and competent to hold the office, to discharge the work and brother of the deceased Shantheg.

I am

Your most obedient servant.

To

The Secretary to the Govt of Mysore
General and Revenue Depts

Sir,

In reply to your official memorandum No Ret 251-92 of the 15th May 1899, forwarding for report the petition of J. Meshariah appealing against the order of this office declining to recognize his claim to the kandchar of the Sringeri Circle in the Mudgere Taluk, I have the honor to submit the following report.—

2. The petitioner requested the recognition of his claim to the office in question on the ground that the period of 10 years during which his family had, in G. O. No 9257/92 231 of the 14th December 1892, been proscribed from holding it, had expired, and that further, his brother, who had been dismissed for misconduct, had died; but Mr Carr (the then Deputy Commissioner) in his order of the 28th March 1894

1899 refused to [illegible] the question
as the petitioner had also been dis-
missed for bad conduct-viz
Colonel Campbell's and Mr Charles'
orders in the file hereunto sent.

3. The letter of the petitioner
having left no issue and the peti-
tioner himself having been perma-
nently excluded from holding the
office and that order having been
approved by Government on appeal
made by him in their order No 120 of
the 29th May 1885, Mr Charles in his
order of the 4th April 1892, directed
that the office should be registered
in the name of Kaviamma, the
widow of the deceased, and she
was allowed to perform the
ceremonies, which she has done.

4. The petition with its enclosures,
received with the News under reply,
is herewith returned together with the
vernacular correspondence which
please kindly return when no longer
required.

I have the honor to be,

Sir,

Your most obedient servant,
